## **Provider Access Trust Policy**

### **Introduction**

This policy statement sets out Trinity Academy Newcastle Trust's (The Trust) arrangements for managing the access of providers to learners at the Trust for the purpose of giving them information about the provider's education or training offer. This complies with the academy's legal obligations under section 42B of the [Education Act 1997](#), the [Skills and Post-16 Education Act 2022](#) and on page 43 of guidance from the Department for Education (DfE) on [careers guidance and access for education and training providers](#).

### **Pupil entitlement**

All learners in years 7-13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point
- to have at least 6 opportunities to meet a range of providers of approved technical education qualifications and apprenticeships
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events

### **Opportunities for access**

A number of events, integrated into the Trusts careers programme, will offer providers an opportunity to come into the Trust to speak to learners and/or their parents/carers:

**Premises and facilities**

The Trust will make the main hall, classrooms or private meeting rooms available for discussions between the provider and learners, as appropriate to the activity. The Trust will also make available specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with the Careers Leader, which will be available for students in their relevant break areas.

**Evaluation**

The Trust are committed to evaluating the careers programme annually, with feedback from learners, parents/carers, teachers and employers as part of the review and evaluation process.
