Teens First Dates is back

Across series 1, Teens met up at the First Dates restaurant looking for love and many went on to go on further dates after filming finished. We want to help more teens find love on Series 2!

We are looking for young people aged between 16-19 years old who are looking to find their perfect match on our show.

Feel like you never seem to connect with the right person? Want food with someone you have lots in common with?

We welcome applications from people from all backgrounds, and we particularly welcome applications from those from Black, Asian, Minority Ethnic backgrounds and those who are deaf and/or Disabled. If you have any access requirements in order to complete the application, please contact us.

Then apply to take part in our next series now. Email us to tell us a brief outline of your situation and provide your contact details, and the team will be in touch.
